In Memory

Olin Hackett was a wonderful person with many friends. During his stay at Duxbury High School, he grew tremendously both in knowledge and understanding. Olin, as a member of the A.V. staff, was involved in many aspects of school life. He had qualities which endeared him to many. He will be dearly missed.

Catherine Murphy's personality was her greatest gift. Everyone used to joke with her about the fact that she giggled after almost every sentence she spoke. She never wanted anyone to be sad. Her parents, brothers and sisters, friends and the children she cared for will miss her; Cathy's legacy is joy and love and a sweetness seldom found.

To The Class of 1984:

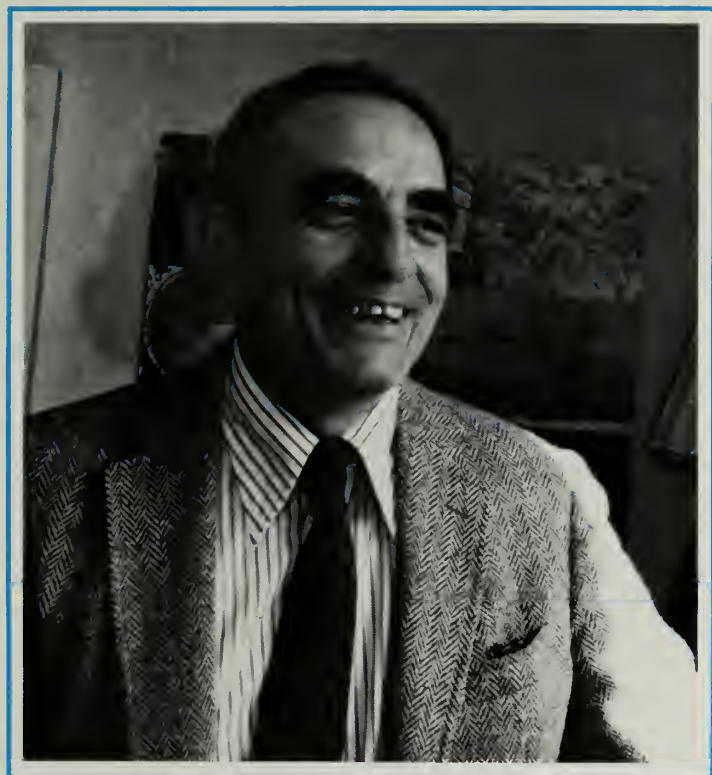

A century and a half ago, our town of Duxbury was known primarily as a community of shipbuilders. Within a mile or so of the present high school building, hundreds of graceful sailing ships were built and launched. These sleek and lovely craft spread their billowing sails in our bay, and went forth to ply the oceans of the world. Each of these vessels was unique. Each had been shaped for specific service. And, each vessel had its own destiny.

In many ways, the ceremonies surrounding the final days of senior year resemble the launching of an even more precious flotilla, our Duxbury High School graduates. Like those sailing ships of an earlier time, each one of you is truly unique, each is an authentic original. For nearly two decades, your parents, the schools, the churches, and the community have collaborated to ready you for graduation day. Now, the time has finally arrived to send you out into the world to undertake that labor, to fulfill that destiny, that is uniquely your own.

As you prepare to set sail from this safe and pleasant harbor, please know that our lives have been greatly enriched by your energy, your joyfulness and your talents. Good luck on your impending voyage, and may God richly bless each of you.

Sincerely,
Seldon V. Whitaker, Jr.
Superintendent of Schools

Congratulations to the Class! Yours is a good record. You have reason to be pleased with your successes in scholastic fields as well as in the many school activities in which you have participated.

You will find that the same characteristics of civility, hard work and intelligence that have brought you success in this school will also have the same results in your later life. My prediction, and also my fondest wish, is that the years ahead bring you all a full measure of happiness and success.

John W. Hill
Principal

To the Class of 1984 —

It has been a genuine pleasure to have worked with this class and come to know each of you. You have grown and developed into a fine group of young men and women that are a source of pride to everyone at DHS.

As this important part of your life comes to an end — take a moment to pause before beginning again. Recognize and accept the emerging cycle of your life: What is past surely cannot be recaptured and what lies ahead will inexorably pass.

Cherish your life and your strengths and use them both well. May each of you enjoy health, happiness and lives that are truly rich in meaning and satisfaction.

Sincerely,
John R. Pierce
Assistant Principal

Dedication

Have any of you noticed the absence of a certain business teacher this year? In addition to the energy and enthusiasm she contributed to the classroom, she was also the only woman to sell tickets at the DHS football games. She will be most remembered by the yearbook staff for her invaluable assistance in launching the 1984 yearbook. We are hard pressed to live up to the example she set with the 1983 yearbook. So, if you ever happen to be in Montville, New Jersey, and you see a rather preppily attired woman racing around in her BMW, be sure to wave hi to the person to whom we are delighted to dedicate this yearbook — our friend, Mrs. Mary Kelly.

Places In My Past

There are ladies in my life
Lovely ladies in these lazy days
And though I never took a wife
May I say that I have loved me one or two
Of the people in my past
Fading faces in a waking dream
And though they never seemed to last very long
There are faces I remember
From the places in my past
I said all the dead head miles
And the insincere smiles
Sometimes I can laugh and cry
And I can't remember why
But I still love those good times gone by
Hold on to them close or let them go
I don't know I just seem to sing these songs
And say I'm sorry for the friends I used to know

When I Was Young

Standing on the bridge,
I watch the flowing water;
The red and yellow leaves
Float down the cool, clear brook.
I throw a stone in the air;
It lands mid-stream
Leaving ripples for a short time.
Memories of times like this
Last only for a day,
Soon tucked away in my mind.
A little girl on a bridge.

AFS

AFS is an organization promoting cultural understanding. AFS, which stands for American Field Service, was originally begun as an ambulance service in World Wars I & II. After the wars, people involved decided to begin sending young ambassadors to foreign countries. AFS sponsors full year and summer programs for Americans to live abroad and for foreign students to live in America. In Duxbury this year we are hosting two students — Anita Vikenes

from Norway and Paolo Sacchi from Italy. We have also sponsored Kelly Fallon's year in Venezuela, made possible by the fruit sale held by the adult chapter in January.

This year the student club participated in a Short Term Exchange with a Long Island community just outside of New York City. When the Valley Stream club came to Duxbury in November, activities included a game of mud soccer, a pizza party, and a trip to Boston. In December our club went to New York and enjoyed visiting their school and going to New York City during the Christmas season. It was a suc-

Throughout the year, we participate in activities with the Plymouth and Marshfield clubs and meet other exchange students from the South Shore. Our advisor, Linda Coombs, has been very helpful for the past three years in running the club. We would like to thank her for her help and advice in planning this year's activities.

Dragon Flyer

The all new high school newspaper The Dragon Flyer began this past fall with its first edition. It is a monthly newspaper supported by local advertisements and a fee of 25c.

The paper is an outlet for student creativity in areas of writing, interviewing, taking pictures, drawing, editorial writing, observing, and reporting. In addition, the newspaper serves as a forum for

student expression of concerns, and an opportunity for those involved to develop interpersonal skills and new social relationships.

S. T. O. P.

The Duxbury High School Chapter of S.T.O.P., Student/Teacher Organization to Prevent Nuclear War, was formed last year. The group is concerned with preserving the future of students by

taking action to reduce the risk of a nuclear war. It supports the Freeze as a beginning to arms limitation. Although students are not able to vote, S.T.O.P. believes that it is important that students do not become apathetic.

The group has supported the Anti-Euromissile campaign and has aided in the repudiation of the Civil Defense Crisis Relocation Plan. The members will study the presidential candidates for the 1984 election and will support the one who makes the stopping of the arms race a top campaign priority.

Monopoly Club

Early in the year, several students voiced an urgent desire for a Monopoly Club. Assessing the situation, Mrs. Simmons decided to cash in on the prevalent enthusiasm and volunteered to be advisor, which was her good deed for the day. Actually she did not volunteer, but she was railroaded into it. We had our first meeting in her classroom, and we've been on a roll ever since. There was ex-

citement from the word "Go", and everybody had a lot of funds. So if you're ever bored, walk down to one of our meetings. You can bring a friend, or just come alone.

Y. A. F.

Duxbury High School's first and only multi-issue political organization, the William E. Simon Chapter of Young

Americans for Freedom broke new ground once again. During the latter part of the third year of the Reagan renaissance, the chapter published the first issue of *The World View*, Duxbury High's first newspaper concerned principally with domestic political issues and international affairs as well as commentary on the local status quo.

YAF's main objective during 1984 is to support the renewed candidacy of President Ronald Reagan and to oppose the proliferation of a nuclear freeze.

Boys and Girls State

Every year the American Legion sponsors Boys and Girls State. The Boys State program was held at Clark University, and the Girls State was held at Bridgewater State College this year. Each year several students are selected from the Junior Class to represent Duxbury. These students learn more about the American political system. This pro-

gram gives "hands on" experience in that each Boys and Girls Stater takes an active roll in forming and operating their own town or city. Also, each participant runs for offices on the local, state, and national levels. Positions held can range from town clerk to United States Senator.

Many people gain the thanks of this year's participants. First, Legion Post #223 for making the trip possible. Also thanks must be extended to the staff and councilors who made the time worthwhile. While having fun was stressed, it can honestly be said that no stater came

away without a feeling of pride, accomplishment, and a little confidence.

Chess Club

The chess club was formed by a group of students who wished to play chess. Each member puts his or her skill against other members. All would like to thank Mr. Meier for his help.

NHS

This year the Duxbury High School Chapter of the National Honor Society has had perhaps the largest membership ever. The Honor Society has been able to participate in many activities such as a donation of over \$200.00 worth of toys to the Children's Ward of Jordan Hospital.

In addition, the tutoring program has continued successfully. Carnation Day, a highlight of the school year, was sponsored by the society.

In December, the NHS inducted 37 new members. Mr. James Buechler was the guest speaker at the ceremony and spoke about the philosophy of honor. The Jazz Choir and Jazz Band entertained at the reception.

Student Council

The 1983-84 Student Council had a successful and productive school year. The main goal of the Council was to improve communication between students and the Student Council representatives. This goal was achieved through a frequently updated bulletin board, and an active communications committee.

The Student Council is composed of five members from each grade level, who

are elected by their peers. The Council would like to express their deep appreciation to Mr. Fernandes, for all his understanding and hard work.

In addition to improving communication with the student body, the Council worked closely with the Student Advisory Council, enabling the two groups to accomplish their goals. The Student Council ran the community and school blood mobiles, and sponsored a dance in March.

The 1983-84 school year was productive, as well as rewarding. For the first

time, in the spring of 1983, the privilege to vote was on a voluntary basis, instead of taking place during the homeroom period. This system proved to work extremely well, and will be implemented in the future. The Council elected the following officers: Polly Weyand, President; Nancy Kolstad, Vice-President; Sabrina Hundley, Secretary; and Terri Hojlo, Treasurer. Meetings were held every other week. Mr. Fernandes, the Council advisor, played a very important role in all the activities.

National Merit Scholars

The Class of 1984 is proud to have twenty students who have been recognized by the National Merit Scholarship Program. Over one million students each year participate in this program by taking the Preliminary Scholastic Aptitude Test. Fifty thousand of the highest scorers receive some form of recognition.

Thirty five thousand of these high scorers will be named commended students and will be sent a letter of commendation. These students score in the top 5% nationally.

The fifteen thousand highest scorers are notified through nationwide public announcement. These semifinalists receive consideration for scholarships.

The semifinalists represent less than one-half of one percent of the nation's senior class. Semifinalists who qualify as finalists advance in the competition and compete for more than five thousand Merit Scholarships.

The class of 1984 has seventeen commended students and three semifinalists.

Student Advisory Council

The Student Advisory Council consists of five annually elected members from all four grades. This year's members are: Amanda Brady (grade 12), Amy Bayer (gr. 11), Bobby McEachern (gr. 10), Wendy Francke (gr. 9), and Amy Ceccarelli (gr. 9).

The S.A.C. serves as a bridge between

the administration and the student body. The representatives attend school committee meetings where they voice student opinions. Members meet periodically with Dr. Whitaker, Dr. Gerhart, and Dr. Zabierek to discuss relevant issues. In addition to this role, various members of the S.A.C. serve on small administrative committees to investigate specific issues.

Morning Announcements

The Morning Announcements staff meets each morning to inform the school of the days happenings. Teachers, advisors, and coaches write messages to the student body, which we then announce along with the Pledge of Allegiance and a moment of silence. Most of us have been with the organization for a few years. However, next year there will be only one remaining announcer, so we will be looking for a few new voices. We have enjoyed working in this field of communications.

Key Club

The Duxbury Key Club is a community service group made up of high school students. The purpose of the club is to better the high school community by providing various services the club feels are needed. The Key Club sponsored a canned food drive during Thanksgiving and donated a food basket at Christmas for the needy families of Duxbury. The group has also performed several service projects including weeding and painting.

In addition, the group looks forward to planting beach grass on Duxbury Beach and hopes to sponsor a dance. New members are always welcome.

Junior Prom

After a long year at hard work, Polly Weyand, Prom Chairman, and the Prom Committee ran a very successful prom. It was held on May 13, 1983 and surprisingly was a very lucky night. At six thirty people made their way up to Christo's II in Brockton. After dinner and socializing, the Prom Queens were chosen by the chaperones. Amy Chandler and Jenny Smith were the runners up while Chrissy Duffy was chosen as the Queen.

The Queens and their escorts danced to the song "Up Where We Belong" and were shortly joined by everyone else. The festivities concluded at twelve thirty, and a good time was had by all.

Homecoming

Thanks to Mr. Pierce Homecoming was a great success this year. He motivated each class to become involved in the preparation of the homecoming festivities. Doug Bean and Eric Giumetti livened the atmosphere with their amusing commentary. Each class presented

an entertaining skit to "psyche up" the crowd for the football team.

Senior Homecoming Queen was Amy Chandler. Her court consisted of Jenny Smith and Nancy Molinari. The Kings were David White, Jimmy Ryan, Matt Herriger, and Todd Paige. Underclassmen royalty were as follows: for the Juniors, Lisa Medeiros, Queen, was escorted by Stephen Hasenfus; the Sophomore Queen, Signe Jensen, was escorted by Mike Wozniak; Andrea Lowe, Freshmen Queen, was accompanied by Mike Frantz.

England

Early in the summer of 1983, a group of eleven intrigued D.H.S. students took a trip to London, England. As chaperone, Mr. Sullivan was a jolly good chap. Although some students were nearly lost on the beautiful London Underground, most found the city extraordinary.

In addition, from Engelond to Caunterbury they wende, the holy blisful martyr for to seeke. Oxford and the colourful Blenheim Palace, home of the Duke of Marlborough, were also stops on the group's trip. It was an exquisite holliday.

The group included L. Boyd, C. Broadwater, T. Davis, K. Gormley, K. Hatch, M. Keefe, K. High, A. Korites, G. Merry, M. Raftery, K. Whitaker, and, of course Mr. Sullivan.

SOPHOMORES

After finishing up their freshman year as one of the most financially successful first-year classes, the class of '86 has not slowed its pace.

After several meetings in the late summer and through the fall, Homecoming '83 was all planned and ready to go. A great percentage of the class prepared for and took part in the weekend's festivities. It turned out to be a definite "group effort".

The class also sponsored an excellent dance late in October and the officers have several more really fun fund-raising ideas for the spring.

JUNIORS

The Junior Class has been concentrating on raising money to insure the success of their upcoming prom, being held on May 4, 1984 at Christo's II in Brockton. The school received a tremendous amount of support from the entire class throughout Homecoming Weekend and the workshops held prior to it. As a result of this support, the Junior Class won the prize of best float in the parade. They have already sponsored two dances, one

of which featured a band comprised of DHS students. Another dance is being planned. Their successful year is due to the fact that so many are active and involved. This year's officers are: President, Lisa Richards; Vice-President, Denine Alsop; Treasurer, Mary Wolfe; and Secretary, Tracy Small.

SENIORS

This year's Senior Class Officers are quite experienced in the operation of

school functions. The senior class treasury is one of the largest in the history of the school. The reason for this is the magnificent leadership the seniors have provided, and in this case the five class officers. Their efforts were witnessed by those who attended the Junior Prom.

The officers are: President, Paul Leary; Vice-President, Kim Hatch; Treasurers, Chris Coakley and Breena Welch; and Secretary, Patty Haffey.

Fall Tournament

Well, the sophomore class finally got their act together. Their production of "Nobody Sleeps" kept the audience and the judges on their side, winning them the trophy and two acting awards. Not far behind were the juniors with three awards, and the freshmen with two. According to the rules, the first class to win three consecutive tournaments, retires the trophy.

The program included speeches by Superintendent of Schools Dr. Seldon Whitaker and local attorney James Angevine. Mary Nudd was installed as president of the organization, which advises students how to deal with the business world. The evening was concluded with a talk by

Library/AV

The library/AV service course provides the opportunity for students to develop skills in audio recording, video and TV, photography, equipment repair and print duplication.

This past year 28 students were in-

involved with the AV course. They learned a variety of skills to help in the daily operation of the media center. The majority of the skills are learned by "hands on" application of their newly acquired skills. The students became involved in many aspects of library/AV services including video program distribution, the operation of AV equipment, videotaping of "live" events around the school, and the circulation and distribution of print materials.

Boys' Soccer

The 1983 Boys Soccer Team finished their season with a 24-0 record. Behind the coaching of Foster Cass, they posted a state record of 48 straight victories. The team also won their 8th consecutive South Shore League championship, led by Captains Matt Cushing, Jim Ryan,

Doug Bean, Steve Cass along with seniors Klaus Jensen, Dan Miller, Bill Wiedner, Eric Andrew, Phil Caliendo, Tom Harnan and Junior Dan Mahoney and Sophomore Peter McEvoy. They coasted through the league, as well as through the tournament. This exciting season came to a conclusion with a bang with the defeat of Monsoon, 5-0, in the state finals.

Girls' Soccer

Having won the South Shore League and the Eastern Mass. State Championship, the Duxbury Girls Varsity Soccer team defeated Nashoba Valley 3-0 to capture an unprecedented Division II Girls State Championship title.

Led by Coach Pat Shea, and Capts. Kim Hatch, Sandy Washburn, and Donna Ring, the Dragons compiled a 19-1

record. Duxbury had an extremely balanced team as seven of its eleven starters were selected to the South Shore League All-Star team: seniors Kim Hatch, Sandy Washburn, Donna Ring, Julie Doscher, Lisa Macek, Sally O'Connell, and sophomore Christine Carroll. Although Duxbury graduates twelve seniors, the returning members are looking forward to an even better season next year. (if it is at all possible!)

Football

The Green Dragons Football team continued in the winning fashion in 1983. They finished the year with a hard-fought 6-3-1 record, the second best on the record books at Duxbury High. Duxbury's defense kept up the tradition as

being one of the toughest in Division IV. All of Duxbury's three losses were by only one touchdown. The team only gave up 32 points. The team always kept up its winning attitude. Even during their two losses in a row to Scituate and Middleboro, their spirits remained high. In the two weeks after the losses, the Dragons dominated with wins over Abington and Cohasset. The team was captained by Ed Carroll, Jeff Fusile and Paul Leary. The team was spear-headed by many hard-working seniors and several juniors Coach Dellorco made his debut as Head Coach and was extremely suc-

cessful. We wish him all the luck in the future.

Field Hockey

The 1983 Varsity Field Hockey team, coached by Peter Saggese, and led by Captains Heidi Cuneo, Kathleen Doherty, and Kathleen Kennedy ended their season with an impressive 15-0-3 record. The team captured the South Shore League title and participated the post season EMASS tournament. This

year's team had five girls selected for the league All-Star team. They were: Heidi Cuneo, Kathleen Doherty, Julie Cunneen, Jeanne Driscoll, and Carey Grealy. Driscoll was also chosen for the ENTERPRISE, and the PATRIOT LEDGER teams as well as being selected as Dragon MVP. Grealy was also selected for the LEDGER and the Globe All-Scholastic Bench team. The team had one of its best seasons, breaking many long-standing records.

Boys' Cross-Country

The Cross-Country season was the team's 9th consecutive season with 2 losses or less. The team knew that the 12 team league would pose some challeng-

ing dual meets. Tri-captains Eric Francke, Sean Patenaude, and Paul O'Malley gave the team tough leadership and dedicated seniors Andy Gorman, Mike LePage, and Kevin Borgeson led them through some difficult, gutsy wins. Throughout the season they worked and improved. Their only two losses were by 3 and 11 points. The team also finished with a second place at the league meet and finally on impressive victory at the annual all-area (5 leagues) meet. Super Sophomores Phil Noyes and Ted Dixon regularly were the team's

front runners and they are sure to give the team a great nucleus on which to build next year's team.

Girls' Cross-Country

Duxbury should be very proud of their girls cross country team this year. Their undying effort led them to great victories and close losses. Led by seniors Leslie Delano, Tonia Toselli, Michele Rizzo, Suzie Quay, and Jen Smith they managed a good season. The team seemed to have a great participation from the freshmen and sophomores, who contributed greatly to the whole team's effort. They would also like to thank Coach Hibler for his dedication and support.

Cheerleaders

A sports fan often overlooks the great spirit that our DHS cheerleaders bring

to fall and winter sporting events. Throughout the chilling fall these dedicated girls cheer bare-legged at every home football and soccer game, and often travel to the away games as well. The winter cheerleaders are equally enthusiastic, making their presence known at hockey and basketball games. We appreciate the time and effort these girls under the coaching of Mrs. Reed, put into our sporting event — Here's to the cheerleaders!

Ice Hockey

The DHS hockey team is off to a good start. The league is filled with capable teams, and anyone could come up victorious. This team is managing to hold its own. The team is led by captains Todd Paige, Andy Johnson, Tom Harnan, and David Walsh, and coaches Saggese and Kispert. The first line was unfortunate to lose Andy Johnson for the season due to a leg injury. But Tom Kennedy is filling Captain Andy's spot well.

The remainder of the season should prove equally exciting with a real showdown in the league for first place. Other seniors on the Dragon squad are Eric Fultz, Don Christenson, Chris Chapdelaine, Chris Hodgdon, Rob Donovan, and Kerry Coughlin.

Wrestling

Led by Coach Frazier and captains Ian Hurley, Carl Balboni, and Joe Foley the DHS wrestling team has been very successful thus far in the season. Both in and out of their league, the team owes much of its success to hard work and strong team spirit. Senior Ian Hurley and Junior Steve Hasenfus have had exceptionally good seasons, undefeated thus far. The squad is packed with young members and is sure to do well in future years.

Swimming

The 1983-84 swimming season was very successful. After beating top

ranked Seekonk and New Bedford, we knew the league title was in our reach. We were undefeated with two meets remaining. Captained by Jesse Brown, Jenny Smith, and Todd Spendley, this team could have the best record yet. Other outstanding swimmers were Eric Andrew, Maura O'Neil, Adam Hartwell, Steve Harrington, and Rob Lowe.

Boys' Basketball

Led by captains Jim Ryan and Matt Cushing, the 1983-84 boys basketball team is doing well in the league. The

team is led by a new coach this year, Mr. Clark. He has done an outstanding job in growing accustomed to his new coaching position — and the team has responded to this change in a very positive way, with a strong record thus far. The team is well rounded, with a number of great seniors and juniors, along with a couple of sophomores. They should continue to excel through the remainder of the season.

Girls' Basketball

The girls' basketball team is led on the court this year by seniors Lynda Barrow, Julie Doscher, Sue Madden, Carolyn Francis, and Barbara Cosgrove, and off the court by injured Kim Hatch and Coach Dellorco. The league was a very tough one this year, as the Dragons re-

cord reflects. But no one on the team intends to give up, the league title was still attainable. The girls' losses were very close and often the games came down to the final seconds. Heartbreaking losses have not proved to set back the Dragon girls as they continue with a winning attitude.

Gymnastics

Although many people are not even aware that a varsity gymnastics team exists, the team works extremely hard and is earning more recognition every year. The '83-'84 gymnastic season got off to a great start with the arrival of our new team shirts. This inspired us to an opening season victory and a new team

record of 104.6 points. This year's team was very well-rounded. The league judges were impressed by Ragu's moon-walk, and Julio, the Spanish wonder's near perfect floor routine. Sophomore Kerri Harnan kept making great strides in the vault, and our freshmen overcame competition shock so the team's in the running for a league championship. Under the leadership of co-captains Kristen Wall and Gail Zec, and Coach Bill(y) Thomas, and his assistant Linda Crowley we expect a very successful season. We're also pleased to report that with

the help from Dana and Krystal, our "Wackilympics" were a great success.

Boys' Tennis

Not many sports fans follow boys' tennis, but those who do know that this team, under Coach Jim Wilde, has been one of the most successful at D.H.S. over the past years. Last year the team went undefeated in regular season competi-

tion and reached the finals of the EMASS tournament only to lose to Bishop Feehan in a heart-breaker 3-2. John Deklerk and Dan Pittenger led the team at first doubles going unbeaten in team play. This duo also gained status as a finalist in the state individual tourney, losing a close match in the finale, 6-4, 6-4. With Bill Benjes, Hank Baker, and Steve Cass returning at the singles positions and the pair of Ed Corvelli and Tom Harnan hoping to fill the first doubles slot, Coach Wilde and the team should have another great season this spring.

Girls' Tennis

The 1983 girls' tennis team was forced to be content with second place in the South Shore League after losing two heart-breaking matches to archrival Cohasset. However, the team's 16-2 season was good enough to enter the EMASS tournament. After beating Bishop Feehan in a great come-from-behind match,

the Dragons fell to Bishop Stang 2-3. The team was led by co-captains Kirstin Johnson and Sudie Brown, along with South Shore League All-Stars Stacey Murgo, Sudie Brown, Julie Cunneen, Wendy Barker, and Julie Doscher.

Last year saw the graduation of many talented players from this team, as well as from archrival teams Cohasset and Hanover. But the introduction of Scituate into our league should prove stiff competition for the young Dragon team.

Baseball

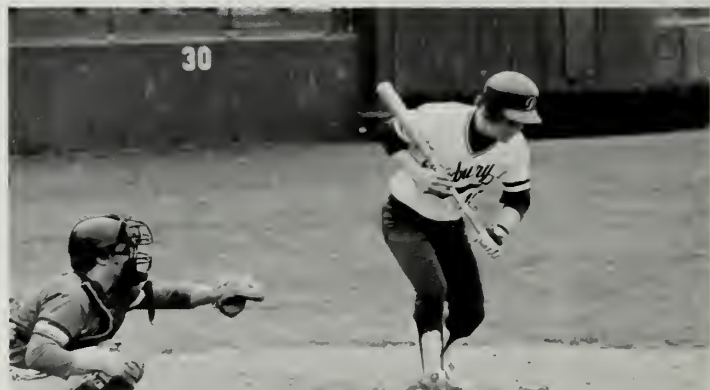

In 1983, Coach Murphy was awarded in his 25th year of coaching at DHS by having the most successful team in ten years. It finished the season at 13-5, and reached the semifinals of the EMASS tournament by beating Apponeuuet, 5-4, before losing to Bridgewater-Rayn-

ham, 8-2. The team was led by senior Chip Kispert, who pitched his way to 10 victories, along with '83 transfer Dave Bergamesca, and returning seniors Dave Walker and Joe Vienneau, whose strong bats and fielding contributed to the success of the team. Dave Bergamesca, Chip Kispert, Joe Vienneau, Dave Walker, and Bill Wiedner were all chosen for the '83 S.S.L. All-Star team.

Softball

Duxbury High School softball had a tough season in 1983 with a 3-13 record. It was a year for rebuilding after losing many seniors. Co-captains Sheila Heneghan and Julie Todd, along with veterans of varsity Emmy Butts, Barbara Cosgrove, Andrea Doane, Donna Ring,

and Kathleen Doherty worked to build this young team, but came up with few impressive wins. But the 13 losses provided the needed experience for the younger players: Catherine Angers, Sandy Washburn, Aileen Rand, Colleen Hurley, Tricia Hannon, Nancy Salvatore, Cindy Partridge, and manager Ron Scarbrough. Now, with most of the team returning, Coach Pat Shea looks for a successful season this spring.

Boys' Track

DHS boys track completed another successful season as SSL Champs, for the sixth consecutive year. Matt Herriger finished second in the Division II 220, Phil Caliengo was the league champ in the long jump, and Todd Paige shined throughout the whole season. DHS also had a great long distance running team consisting of all underclass-

men. Hopefully our next season will be as successful as our last, even though Coach Reggie is resigning his position as head coach.

was once again victorious in the South Shore, as they claimed the title of League Champs. Coach Al Hibler, led the team, followed by tri-captains Lisa Klein, Sarah Mills, and Keli Fallon. The season's most exciting meet was against Norwell where, at the last minute, Duxbury won by one slim point. This victory showed how team spirit and support really makes a team. It was an all-around great season and hopefully this year will prove to be as fruitful.

Save Me from My Dreams

Save me from my dreams.
She once dreamed of frogs and bicycles,
Now, grown up, she longs for a handsome prince.
Along the riverbank she lives with herself
To a world of castles and fantasies
Imagined a way to a tower of evil,
She is held captive for a sum.
The hag cackles thinking of the ransom to come
While the princess quietly weeps.
Billy gently wakes the dreamer —
Rescuing her from her imagination.

Dedicated to D.R.C.

FOREVER

I met him in the Summer Sun
Laughing, Smiling.
We've just begun.

I hope together we can last forever
Quarrel and Fight
No, not ever.

We'll never know what the future holds
The Summers warm, the Winters cold.
But it won't matter
For we have each other
And the years will pass one after another.

Editors' Note

After hours of hard work and sleepless nights, pictures and paper fused to form a very unique yearbook. Although the major theme is "Places in My Past," there are also smaller themes concerning layouts and divider pages. We think that each yearbook staff determines a primary goal for itself. This year, ours was to have a full color senior section. Because of the immense cost of color publishing we decided to take full advantage of the space we had by printing color candid photos on those pages instead of the usual

blurbs. Consequently, we had to develop an interesting blurb layout — the idea of the checkerboard — which has never been used before in this school. In addition, having the blurbs in the back is more journalistically correct.

The editors decided that one of the elements that should be included is more space for autographs. With this in mind, the gifted layout editor, Ted Simpson, created stylistically correct layouts with sufficient writing space.

We would like to express our gratitude to our advisor, Mary Pawlikowski for her time and concern, AND ALSO we found her suggestions to be stimulating. Last year's advisor, Mary Kelly, had to

move unexpectedly during the summer. Her legacy to us was the foundation of a superb yearbook. In fact, we were so grateful for her contribution that we dedicated the yearbook to her.

We hope you enjoy your yearbook and the memories it brings from places in YOUR past.
